Marti **MALLOY** **CLINIC**

Sponsored by: Seattle Dojo, Northwest Yudanshakai, and Washington State Judo

- Olympic Bronze Medalist
- World Silver Medalist
- 42x International Medalist

Hailing from Whidbey Island in Washington State, Marti has been doing judo since the age of six. She picked up the sport alongside her brothers and after winning her first competition just months after starting, she set her sights on one day being an Olympic Champion. Over 25 years later with numerous national and international successes under her belt, and after making a name for herself as the #1 - 57kg player in the United States for more than a decade, Marti returns to the Pacific Northwest to share her knowledge.
