

2021-2022 Northwest Judo Yudanshakai  
Annual Designation of Dojo Delegate

Per Article XXV of the Yudanshakai By-Laws: *“A dojo delegate shall be annually registered in conjunction with the dojo membership admission or renewal process”.*

The purpose of this designation is to clearly identify what individual has been selected by a member dojo to be the delegate who is authorized to participate pursuant to the rules, at Board of Governor meetings and for mail votes. If the delegate cannot be available for a vote at a Board Meeting, submission of a proxy form supplied by the Secretary may reassign voting authority to another individual. Only the designated delegate may participate in mail voting.
