

## Covid-19 Protocols

Under the Alberta Restrictions Exemptions Program, all participants must follow the current mandatory protocols.

For all participants (including, but not limited to, athletes, referees, coaches, organizers, volunteers, medical team, etc.) 12 years and older must provide:

- proof of full vaccination via a QR Code or a Negative Rapid Test result according AHS guidelines.
- those who are 18 years or older will also be required to show personal identification to verify their name and date of birth.

Everyone must:

- attest to the Covid-19 Self Declaration Risk Assessment Screening questions. If a minor, the parent must declare for their minor child.
- a mask must be worn at all times, except when warming up and competing.

Full vaccination means (at least 14 days from second dose of a 2-dose vaccine or a single dose of Janssen). This can be digital or paper copies of Alberta QR code vaccine record or other provincial vaccine records with QR codes.

If no proof of full vaccination is available, proof of a privately paid Negative Rapid Test result taken within 72 hours of the tournament date.

Proof of a negative rapid test result must be a written or printed copy that indicates the individual has tested negative for Covid-19 on a Health Canada approved rapid antigen, rapid PCR or lab-based PCR test. The report should clearly outline the type of test, time of sample collection, clear indication of a negative result and the laboratory that completed the test, if applicable. **NOTE: photos of a rapid test or result taken offsite is not sufficient. A self-test completed offsite or self-produced documentation of a negative test result is not valid. Tests must not be from the Alberta Health Services public Covid testing system.**

A valid medical exemption is the original signed letter from a physician or nurse practitioner that includes the person's full name, date of the letter, the physician's or nurse practitioner's complete contact information, a statement that there is a medical reason for not being fully vaccinated against Covid-19 and the duration of the exemption. Persons with a medical exemption will be required to provide a negative Covid test result within 72 hours of the tournament.

Please note we will not be allowed to have spectators on the tournament floor, but there is a viewing area around and overlooking the Ice Palace. Only athletes, coaches, referees, medical staff and volunteers will be allowed access to the tournament site. They may need to show ID and/or vaccination QR codes at the entrances to the facility.

As Covid protocols change frequently, any modifications to these protocols will be issued as soon as they become available.

## Covid-19 Self-Declaration

### RISK ASSESSMENT SCREENING QUESTIONS

If you answer **YES** to Questions #1-6, you **cannot** enter.

1.	Do you have any new onset or worsening of any of the following symptoms?		
	• Fever	YES	NO
	• Cough	YES	NO
	• Shortness of breath / difficulty breathing	YES	NO
	• Runny nose	YES	NO
	• Sore throat	YES	NO
	• Chills	YES	NO
	• Painful swelling	YES	NO
	• Nasal congestion	YES	NO
